### Urban Edge's 2009 Lifetime of Civic Achievement Award Hubie and Kathy Butler Jones

Hubie and Kathy Butler Jones are veteran Boston education, non-profit and civic leaders. The Joneses have been path-breakers in educational equity and access, school reform, youth volunteerism, leadership development and history teaching and writing.

### Keynote Speaker Dr. Rudy Crew

Dr. Crew of the University of Southern California is a public education leader and innovator whose initiatives in student achievement are national models. Dr. Crew served as Superintendent of the Miami-Dade public schools and was named the 2008 Superintendent of the Year by the American Association of School Administrators. We are excited to hear from Dr. Crew as Urban Edge explores a new initiative to engage families of its housing to achieve better educational outcomes.

Extending the Reach  
*of Community Development*  
Wednesday, October 14, 2009

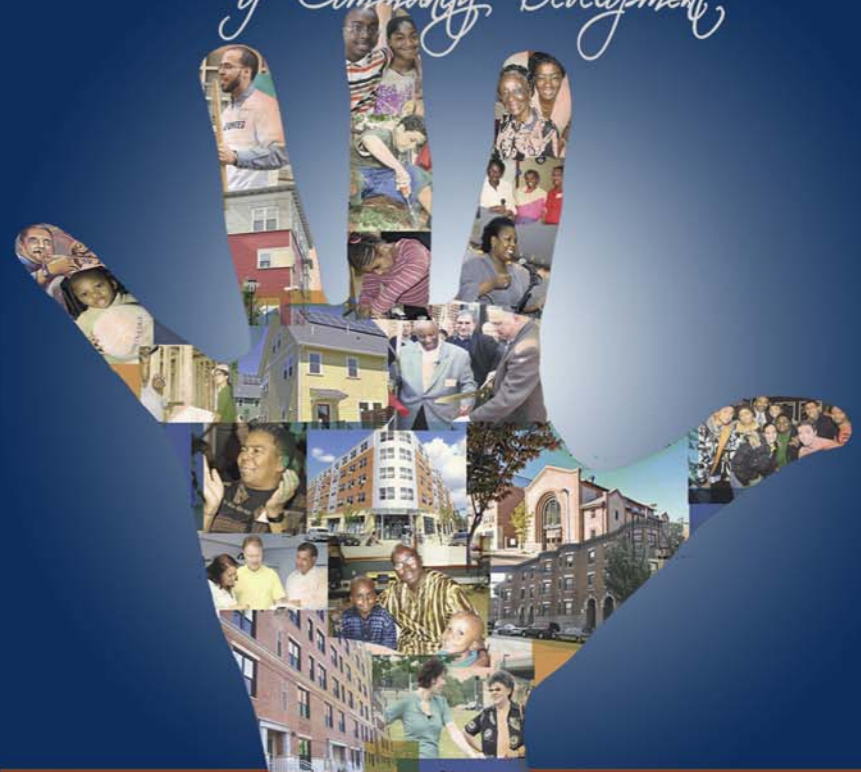

The mission of Urban Edge is to help develop and sustain stable, healthy and diverse communities. We accomplish this through the development and preservation of high quality, affordable rental and ownership housing and educational and recreational facilities and programs that increase opportunities for families and individuals to own or rent homes they can afford, to improve their quality of life and build generational wealth.

Urban Edge is one of 240 member organizations nationwide that make up NeighborWorks® America. Together, these organizations are committed to excellence in community development and serve more than 2,500 urban, suburban, and rural communities throughout America.
